Los Angeles, CA (PRWEB) February 27, 2005 -- Shawn Collins is proud to announce that he has been selected for the 77th Academy Awards, gift basket. As part of his participation, Shawn Collins will be giving each of the gift basket recipients a made-to-order exclusive Scottish cashmere Shawn Collins sweater from his current Autumn/Winter collection.

All his knitwear is manufactured in Europe, using only the finest Todd & Duncan cashmere and wool yarns. Each piece incorporates technique and workmanship rarely seen today, including elegant hand detailing. Shawn Collins launched his first menswear collection in 2004 which consisted primarily of knitwear. He recently moved to LA, having worked in Europe for eight years with a number of high profile designers.

Since moving to LA, Shawn has designed a number of specialty items for Oscar-winning actors and Grammy award-winning musicians. His approach is rooted in a laid-back casual American attitude towards sportswear combined with a European tradition of luxury craftsmanship. Shawn Collins was one of the only young designers selected and personally bought by Junya Watanabe for inclusion in the London Dover Street Market, the first multi-brand store opened by the highly-respected Commes des Garçons.
